Stephen,

I met with the lawyer at 3 pm today.

Here are a few points he made.

1. General release language is standard and acceptable as long as we do not object to who is covered under the release.
IE. Compass Marketing
2. Agreement needs an acceleration clause if payments are not made on time.
3. Non compete clause in our contract is eliminated going forward. It currently is not clear.
4. Voluntary Dismissal of Bankruptcy Proceeding should be without prejudice so a case where we are not paid the future payments we can file this Bankruptcy petition again.
5. A statement in this agreement that my \$30,000 loan and Ken's issues are not effected by this agreement and stand on their own.

Best regards,
Ronald E. Earley
